Office of the Dewan of Mysore,

NOTE

Dated 18th April 1930

Secretary, Recruitment Board.

I understand that the Rules of Recruitment Board are not being strictly observed by some of the local Municipalities. For instance, it seems the Mysore City Municipal Council, in spite of several reminders from Government is not giving effect to the Recruitment Rules whenever appointments are made. I would be glad, if a report is called for from the President, Mysore City Municipal Council on the subject.

There is no mention in the Bye-laws anywhere about the disposal of the vacancies in accordance with the policy of Govt as enumerated in those Rules. The purpose in view will be amply served if the Municipality take action for repealing Bye-law No. 1 and substituting in its place another Bye-law to the effect that the qualifications required for the various grades of appointments in the Municipality will be those prescribed in the C.R.B. Government Order No. L. 5347-407—MI 22-26-42, dated 2nd February 1927, directing that the provisions of the rules approved in the Government Order of 19th February 1925, be made applicable to the Non-Gazetted executive and clerical appointments under the Bangalore City Municipal Council and requesting the Municipal Council to submit necessary rules under Section 44 of the Mysore Municipal Regulation

3. Correspondence ending with letter No. L. 5408—MI 22-26-43, dated 2nd February 1927, to the President, Mysore City Municipal Council, suggesting that the rules applicable to recruitment of Non-Gazetted executive and clerical appointments should be uniform in both the City Municipalities and requesting the submission of necessary rules for the approval of Government

4. Government Order No. L. 6052-123—MI 158-26-1, dated 1st March 1927, issuing certain rules regulating recruitment, pay and other matters relating to the officers and servants of Town and Minor Municipal Councils.

ORDER NO. L. 3318-36—MI 167-30-2, DATED 25TH OCTOBER 1930

The rules approved in the Government Orders of 19th February 1925, 2nd February 1927 and 1st March 1927 read above, provide for the employment of Government officials to certain appointments under the Town and Minor Municipal Councils and the Bangalore City Municipal Council. The mode and conditions of appointing officers (1) for all appointments under the Mysore City Municipal Council and (2) for appointments under Town Municipal Councils with the exception of those to be filled by officials lent from Government Departments are now left to be regulated by the rules made by the Municipal Councils concerned under Section 46 of the Municipal Regulation. In the case of the Bangalore City Municipality where there is now a Municipal Commissioner appointments up to Rs 100 except in cases falling under Section 186 (k) of the Municipal Regulation may be made by the Municipal Commissioner under Section 186 (j) of the Regulation subject to the general rules of recruitment that may be made by the Government from time to time. In the case of Minor Municipalities the mode and conditions of appointment have to be regulated by rules to be made by Government under Section 187 of the Municipal Regulation as the Minor Municipal Councils are excepted from the provisions of the said Section

2. No rules purporting to be made under Sections 186 (j) and 187 of the Municipal Regulation have so far been issued by the Government. The rules called for from the City Municipal Councils to secure uniformity in this respect have not also been received. In these circumstances, Government, after a careful consideration of the matter, think that in all cases in which appointments are not filled up by persons in Government service lent for the purpose a uniform procedure should be followed in regard to the mode and conditions of appointment for all Non-Gazetted executive and clerical posts in the superior grade of all Municipal Councils and that it is inexpedient to leave the matter to be regulated by rules to be made by the Municipal Councils. Government are accordingly pleased to exercise the powers conferred on them by

No L 3318-36—ML 167-39-2, DATED 25TH OCTOBER 1957

Section 186 (j), sub-section (3) of Section 187 and Clause (a) of the proviso to Section 46 of the Municipal Regulation and make the rules in the notification appended to this order. The notification will also be published in the Gazette.

4 In order to give effect to these rules, Government are also pleased to direct as follows —

(1) For the purpose of rule 1, the classification of appointments and the qualifications required therefor shall be the same as those prescribed for appointments of corresponding grades in Government Departments.

(2) The agency for the purpose of advertising vacancies under clause (b) of rule 2 shall be the Secretary, Central Recruitment Board.

(3) The returns required to be submitted under rule 3 shall be sent to the Secretary, Central Recruitment Board and shall be in such form as may be prescribed by the Government.

In exercise of the powers conferred on them under Sub-section (1) of Section 186 (j) Sub-section (2) of Section 187 and clause (a) of the proviso to section 46 of the Mysore Municipal Regulation, 1900, as amended from time to time and of all other powers enabling them in this behalf, the following rules are made by the Government, for determining the mode and conditions of appointing non-gazetted officers in superior service of the Municipal Councils in the State —

1 The classification of the appointments and the general educational and departmental qualifications for the several classes of appointments shall be in accordance with the instructions issued by the Government from time to time in respect of appointments of corresponding grades in the respective departments of the Government. Provided that in cases where there is no corresponding grade in the Government service, the classification and the qualifications shall be regulated by special orders of the Government.

2 Except in cases where appointments are made of persons in the Government service lent for the purpose or by transfer of officials of corresponding grade under a Sanitary Board, District Board or a Municipal Council, vacancies shall be filled up by the Municipal Councils, the Municipal Commissioner, the Chief Officer, or other competent authority, as the case may be, (a) so as to secure adequate representation of the various communities in the proportion prescribed in the case of appointments under the Government,

(c) by confining the selection of persons to candidates who apply for the vacancies and also possess the prescribed qualifications.
